

ATTENTION: WAIKANAЕ BRIDGE CLUB MEMBERS

You can now pay for session tickets by direct credit through your bank

You can now purchase your Session Cards by direct credit (online banking) into the Club's bank account. If you pay by direct credit you will obtain your session card before play as you do now.

NOTE: If you do NOT wish to pay by direct credit you may continue to pay by cheque or cash.

Below are details of the Waikanae Bridge Club's bank account and the notation you need to use –

BNZ Waikanae A/c number 02-0591-0005881-00

Particulars	Code	Reference
Your name	SESSION	Your computer number

This method of payment is much to be preferred because:

- It's more convenient for members;
- Reduces the handling of cash and cheques;
- More secure than using cash;
- Streamlines the process of reconciliation and banking done by the treasurer.

PLEASE NOTE: It takes a day or so for the payment to be received into the Club's account so you must purchase your new session card some time before the current one runs out.
